“Achieve your goals...one step at a time” - Doug Moore

Who was Doug Moore?

Doug Moore was the late founder of Jet Ice Limited, and the Chief Engineer at Maple Leaf Gardens in Toronto for 30 years. He was a hands on person who understood the specific day to day needs of facility operators. During his 40 years of service in the arena industry, Doug developed ice making concepts and theories that are recognized and accepted as standard practices in our facilities today. He willingly and diligently shared his practical knowledge through hands on training and elevated the position of icemaker to the respectable level of professionalism it enjoys today.
