To the Dealers and Customers of FuelMaker Corporation

Re: Fuelmaker Corporation (“FuelMaker” or the “Company”)

Please be advised that on April 2, 2009, pursuant to an Order of the Ontario Superior Court of Justice (the “Court”), McIntosh & Morawetz Inc. (“M&M”), a subsidiary of Alvarez & Marsal Canada ULC was appointed as interim receiver and receiver and manager (“Receiver”) of FuelMaker. By further order of the Court on April 3, 2009, FuelMaker was also adjudged bankrupt by the Court and M&M was appointed Trustee of the Company’s estate.

As a consequence of the receivership, the operations of FuelMaker’s business have ceased. Negotiations with a potential purchaser of the Company’s assets are advanced. The potential purchaser has advised the Receiver that it intends to carry on the business of manufacturing, selling and servicing refuelling appliances, although it may not do so in the same manner as previously conducted by FuelMaker. While the parties are continuing to negotiate a sale agreement, there is no certainty that such a sale will be concluded, nor that FuelMaker’s former business will continue in its entirety. As such, there is no certainty that new refueling appliances will be available for sale in the future, or that spare parts will be available to service previously sold units.

Dealers and customers may contact the following parties with any inquiries:

Service calls: those licensed independent contractors with whom you contracted in the past for service inquiries. Dealers and customers resident in Southern Ontario that previously relied on FuelMaker for servicing your refueling appliances can contact Halton Gas Services at 905-875-0915.

Please note that Halton Gas Services and any other independent contractors with whom you chose to contract are not employees or agents of the Receiver and the Receiver makes no representation or warranty whatsoever concerning their ability to perform the required services and accepts no liability for work performed.

Other information and inquiries: Receiver’s website www.alvarezandmarsal.com/fuelmaker or Amanda Favot of the Receiver’s office at 416-847-5163.

Yours very truly,
